6. General Data

Achievements

Six students have awarded in Ph.D. under my supervision published various research paper in journals of National & International reputes. Currently 5 students are purusing their Ph.D's under my guidance.

State brief assessment of your performance indicating

Difficulties

Lack of equipments and research journals hampers the progress of research work

Suggestions

1. LCD Projector must be available for efficient teaching to keep students updated.
2. More funds be male available research activities.
